# PROJECT OVERVIEW

The SRS Nexus (Stereotypes, Role Models, and Social Norms) project is an Erasmus+ initiative aimed at empowering youth workers and young people to challenge stereotypes, explore diverse role models, and rethink societal norms. This project brings together participants from various countries to engage in activities that foster self-awareness, critical thinking, and empathy. By critically examining the influence of social media and cultural expectations, participants will develop the skills to promote inclusivity and realistic representations of success, ultimately empowering them to navigate and reshape societal influences constructively.

# TRANSPORTATION

Larnaca Airport is the closest airport to the venue. Cyprus also has a second airport located in Paphos, but transportation from Paphos to the venue is more challenging.

**Note:** Ercan Airport, located in the northern part of Cyprus occupied by Turkey, is considered illegal and not recognized by the Republic of Cyprus. As a result, the European Union cannot cover travel expenses to or from Ercan Airport. Please book your flights with the cheapest flights from one of the 2 legal airports in Cyprus (Larnaca and Paphos).
